Statement ECF Bagasse Pulp

Herewith we ARPZ Hamburg, confirm for and on behalf of EPPCO, Thailand, that sugar cane used for the manufacture of bagasse pulp grades delivered to Hahnemühle, Germany, is NOT from one of the below mentioned categories:

- Sugar cane harvested from forest areas where traditional or civil rights are violated
- Sugar cane harvested from non-FSC-certified forest areas having high conservation values which are threatened
- Sugar cane harvested from genetically modified areas
- Illegal harvested sugar cane
- Natural forest that has been converted to plantation or non-forest use
- Children are used for work

Sincerely,

August Ristelhueber Papier & Zellstoff GmbH
