

CO₂ - Vermeidungs-Zertifikat

Hahnemühle FineArt GmbH

Since the first of January 2009, Hahnemühle FineArt GmbH has been supplied with energy from LichtBlick - Die Zukunft der Energie GmbH & Co. KG.

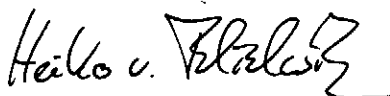

The mains electricity supply of electrical energy provided by LichtBlick comes from:

- neither nuclear, coal fired, natural gas, nor oil power plants
- fully renewable energy resources

By using the energy supply provided by LichtBlick, Hahnemühle FineArt GmbH avoids

3.020,5 tons

of measurable CO₂ emissions yearly.
